Subject RE: Exhibit B

I got a call from Bob Reichel indicating that with the changes he gave me this afternoon (which I incorporated) he's fine. I'd like to circulate the execution copy yet this evening.

Karen,

That's good news on the 4(c) language. Catherine and I will need to check in with MI and get back to you - tonight or first thing tomorrow.

Jason-are you OK with these? Everyone else is. Also, we will delete the language in 4(c) re consent being unreasonably withheld etc.

Karen:

I'm on call with Jason and he was not aware that MI is done. You two should touch base.

Thanks. The proposed revisions are acceptable with one minor exception. We request that the last sentence of the final bullet point under River

Rouge Site Investigation be revised to read: "The number of sampling parameters for the future site investigation sampling may be reduced by agreement of the Custodial Trustee and the Lead Agency."

Please call me if you have any questions.

Attached please find a revised draft of the Exhibit B forwarded to us yesterday by Brian Monroe with my suggested revisions to the document. The suggested revisions are reflected in track changes. Please let me know if these are acceptable and I will circulate an execution version of the Settlement Agreement and related exhibits. Thanks!
